

# GLOBAL SOCIETY CORPORATE PARTNERSHIP

## What is GSCP?

From intercultural training to flag displays to seats at the International Citizen of the Year event - membership in the Global Society is the premiere opportunity for your company to get involved with international affairs in the Hoosier state. The Global Society Corporate Partnership allows organizations to unite around The Center's mission: to be a catalyst to inform, convene and connect public, private and civic global objectives in Indiana.

## From our Partners

*"As a business immigration attorney, a former board member, and Honorary Consul of Portugal, I deeply value the opportunity to work alongside The Center in advancing dialogue, fostering cross-cultural understanding, and strengthening Indiana's ties to the international community. Our shared commitment to partnership ensures that we are better equipped to meet today's challenges with diplomacy, cooperation, and vision."*

*-Ryan C. Marques, Lewis Kappes,
